PASTOR'S PASSAGE

Church family,

I'm excited to share with you the planning of a mission trip to Puerto Rico. The target date is in July 2018. Stacey Tafao along with our missions leader, Jackie Harris, are working together to plan and organize our trip. We all know the news reports of the devastating effects the hurricanes brought to the Caribbean. The recovery is still an ongoing process and, in many locations, the work is just getting started. The Tennessee Baptist Convention is mobilizing to send missions teams to Puerto Rico and Dominica. A number of groups are traveling during the months of February through April. We are looking to July as a time when our work can include not only reconstruction and clean up but also working with families and children through summer Bible clubs and other person-to-person ministry.

The open door is set before us and the planning is underway. There are many details still in the planning phase and will be communicated in the near future. But now is the time to begin praying in two ways. First, pray about whether God is calling you to go. And second, if going is not an option, pray for the Lord to prepare the way and the field of ministry in which we'll be working.

All for God's glory,

Brian

FUSION YOUTH MINISTRY

We had a great experience on our Ski Retreat this past weekend! We had a group of 14 go on this trip. We had a couple of first time skiers and first time snow tubers. Everyone had a blast and no major injuries! I could use some help covering two spots if anyone would like to help. Their spots were \$96 and I didn't want anyone to be left out. Two other spots have already been covered.

Please bring your chili this Sunday for our annual Chili Cook-Off and help sponsor a youth on their workday to earn funds for their mission trip to Charleston, South Carolina this summer.

Love in Christ,
Jack Abbott
