VBS TRAINING MEETING

Sunday, June 3, 6pm

If you are helping with VBS, please make plans to attend this important training meeting. We will meet in the Fellowship Hall.

This past Sunday night, our church hosted a Prayer Service for Those Touched by Cancer. During our evening service, we were led through hymns and songs, prayers and scriptures, and testimonies warriors and champions over cancer. The community and churches were invited to attend and contribute as they might be able. It was a powerful experience for me as I was provided the opportunity to honor my maternal grandmother publicly for the first time. It was powerful to see those in attendance bring their loved ones to life again as their names were written on boards for all to honor. It was powerful to offer a prayer together with all those in attendance where we praised God and spoke the names of loves one and friends aloud. And it was powerful to see so many in my church family that share an experience with cancer. I was strengthened and felt closer to each one. Thank you to the Prayer Committee for faithfully following through on an idea the Lord planted in your hearts. You saw it through to completion and accomplished what the Lord desired.

I look forward to worshipping with you this Sunday as the church celebrates its 72nd anniversary. We'll enjoy a covered dish meal after the service, so bring your favorite dish or dessert as we fellowship and share together.

See you Sunday,
Brian
